Happy Hour Menu available with beverage purchase. Dine-in only. Must be consumed on premises.

*Consumer Information: There is a risk associated with raw oysters. If you have chronic illness of the liver, stomach, or blood, or have immune disorders, you are at a greater risk of serious illness from raw oysters and should eat oysters fully cooked. If unsure of your risk, consult a physician. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food-borne illness, especially if you have a medical condition.
